Privacy Policy

Effective Date: [21/09/2025]

Flavorry is a mobile recipe app developed by **MMCoreLabs**, an independent developer. This Privacy Policy explains how we collect, use, and protect your data when you use the Flavorry app.

---

1. Information We Collect

When you sign up for Flavorry, we collect:

- **Name** – for personalization and display.
- **Email address** – for login and communication.

We do **not** collect passwords or sensitive personal data.

---

2. How We Use Your Information

We use your information only to:

- Allow you to create and manage your Flavorry profile.
- Display your name and content within the app community (if shared).
- Contact you for important app updates (if necessary).

We do **not** sell or share your personal information with third parties.

---

3. Media & Permissions

- Flavorry may request access to your **device gallery** to allow you to upload recipe images.
- Images you upload are stored in the app's database for sharing with the community.
- We do **not** access or store any other gallery content.

---

4. User Content

You are responsible for the content you upload. MMCoreLabs is **not responsible** for images, recipes, or any media shared by users.

Please do not upload offensive, illegal, or copyrighted content.

---

5. Data Storage & Security

- Your data is securely stored on our server/database.
- We do not store any sensitive information (like passwords or financial data).
- No personal data is stored locally on your device.

---

6. Children's Privacy

Flavorry is intended for users 13 years and older. We do not knowingly collect data from children under 13.

---

7. Changes to This Privacy Policy

We may update this policy as the app evolves. Material changes will be communicated in-app or via email.

---
